To: Elevate Families in the Recreation Program

Thank you so very much for your loyalty and support through these very trying times. As you know, we have worked hard to comply with all CDC rulings and going over and above with using UVC light towers 2 times a day to thoroughly sanitize all equipment in the gym. We are proud that our gymnastics program is one of the best in the United States and that we are highly regarded and recognized by the leaders in our profession.

We are very fortunate that we have been able to sustain prices for long periods of time. Unfortunately, the cost of operation has been on the rise and the gym has been trying to absorb as much of these costs as possible. Then, COVID-19 arrived and the pandemic has caused unforeseen chaos, expense, etc.

Please accept this letter as notification of a rate adjustment in our recreational program, effective, *January 1st, 2021*. With this 5% increase we will again strive to keep our rates steady and affordable.

The following is a general summary of the rate changes for the Recreational program:

50 Minute Class	\$80.00 per month
1 Hour Class	\$82.00 per month
2 Hour Class	\$126.00 per month

Also note: The 25% reduction for 2 or 3 siblings or classes and the 50% reduction for 4 or more siblings or classes remains the same. There will be NO change to the annual registration fee of \$40 per year.

Once again, thank you for allowing us to coach and enjoy spending time with your children. We are trying hard to keep our prices within reason yet allow us to function in a safe and progressive manner.

Respectfully,

MANAGEMENT
Elevate Gymnastics Academy
